

## Skills-profiling questionnaire for displaced persons

Dear Sir or Madam,

The Federal Employment Agency (BA) would like to welcome you to Germany.

Our main task is to match up people seeking work or training with job vacancies.

In Germany, there is currently a demand for skilled workers who have completed vocational training or university studies. If you wish to offer your skills and specialist knowledge, we will be delighted to provide you with assistance as you enter the world of work or training. We will also assist if you wish to continue your education or vocational training or university studies in Germany.

We will advise you and provide you with information, including on funding options, in order to prepare you as soon as possible for offers of work or training.

To do so, we will require some personal details, as well as information on your qualifications and professional experience. Please therefore fill out the form on the back of this page as completely as possible and bring it with you to your interview with our counsellors. Based on the information you provide, the counsellor will make an assessment of how and where you will be able to find a suitable job or training place.

Please note: registering with the Federal Employment Agency is voluntary and has no effect – either positive or negative – on your asylum application.

We look forward to meeting you.

Yours faithfully,

The Federal Employment Agency

---

The BA is committed to complying with data protection regulations. Your details will be collected, processed and used exclusively within the framework of our statutory mandate (Books II and III, German Social Code) for the purposes of ascertaining your skills, providing counselling and placement services, and promoting employment.

### Privacy statement

I hereby consent to the BA enquiring, where necessary, at the Federal Office for Migration and Refugees about the status of my asylum application in order to estimate when I will be able to take up work in Germany. I can withdraw this consent at the relevant Employment Agency at any time with future effect and without stating reasons.
