
START HOPE

@home

Start-up in your homeland?

Social Impact will strengthen the entrepreneurial skills und individual potential necessary for your self-employment through coaching and workshops. For this you will receive 160 hours of cost-free training in Germany. Furthermore, starthope@home will assist you in reintegration and will financially support self-employment in your native country. The program is free of charge for all participants, and completely voluntary.

The program can begin at any time.
